

As a non-profit organization, Meta is committed to the Southern California communities. Meta is dedicated to motivating Hispanic students to seek higher education and complete 4-year degrees. In addition, our goal is to develop community outreach programs through corporate sponsorship that support students with mentorship. We have established an endowment with a goal to provide scholarships into perpetuity.

Why Meta?

- Corporate Sponsorship will promote "good will" by supporting the communities they serve.
- Corporations will benefit by mentoring and developing their future workforce.
- Corporations will build strategic partnerships with community leaders that can improve communication and feedback.

100% of your contribution works towards the objective

- No Administrative costs due to our Meta volunteers.
- Your Contribution is utilized only to support scholarship goals.
